

# Unlocking the Opportunity: Independent and impartial

Knightsbridge Wealth is committed to excellence in its investment advice, underpinned by two core principles.

### UK Regulation

We passionately believe that London is the World's best-regulated financial centre. Whilst we place funds for clients all over the World, all our advice is covered by UK legislation and regulated by the Financial Conduct Authority.

### Independence

Our loyalty is to our client. Nobody else. We are one of the very few international advice firms that gives only independent and impartial advice – rather than being restricted to giving advice from a group of companies.

Among the companies we currently place our clients' funds with are:
