

“Wherever you are
based in the world, and
whatever your personal
circumstances and
financial objectives,
Knightsbridge Wealth
will always put you and
your interests first.”

Alexander Wade
Founding Partner

Knightsbridge Wealth is an exclusive and distinctive London-based wealth management company.

We stand for quality as well as personal and individual service, innovation and modernity, and for a commitment to our clients that goes far beyond the everyday.

Here are the most important reasons to choose Knightsbridge Wealth:

- London-based and UK regulation
- Cross-border compliance
- The ability and authority to transact on your behalf
- Extensive specialist experience of the international market
- True independence
- A one-stop shop with a holistic approach
- Total security and confidentiality
- Individual and bespoke investment solutions
- Committed to outstanding personal service
- Advice based on close and detailed understanding of your situation
- Emphasis on long-term perspectives and relationships
- Willing to meet in London or wherever you are
- Focus on your family as well as yourself
